

TESTIMONIES

About our business and products:

“Just a note of thanks for... the awesome newsletter you publish. I share the recipes with my both of the churches I pastor and they love them. The holiday greetings that we requested and you printed gave us more contact with the community. You're our publisher of choice. Thanks again!”

*Pastor Michael W. Dyson
District Pastor, Suffolk and Franklin,

“You know what? I use all of your newsletters in my class presentations all of last year and I would like to see more of it because I do have a long list of students in this university where I sent emails and they are my spiritual prayer partners on line. I am a teacher/ nurse educator here at the Pacific Adventist University, in the school of Health Sciences in Papua New Guinea, one of the Pacific Island Countries just below Australia..”

Diane Kono, PAU

“I just wanted to take a moment to tell you how much I have enjoyed your cookbooks. Every recipe I have tried has been a success. I want to tell you that I appreciate all the work you have put into these books. I like the photos, too--very helpful! God bless each of you.”

INTRODUCTION:

Just think of it. Now you can offer great health materials without spending the money to purchase them. Ever order books that didn't sell? Or you didn't order because it cost too much or takes too much space in your office? Then this is for you. -- The Sette Commission Program.

HOW IT WORKS:

1. Ask us for a Sample Kit.
2. We will send you the sample package and you place it on display, with the custom order forms.
3. When your clients place an order with us using these order forms, we will put 20% aside to send to you.
4. We fill the orders and send the products directly to your clients.
